

## Fox Creek High School Parent/Guardian Volunteer Contract

Our **mission** at Fox Creek High School is for our graduates to have a positive impact upon the world. Our goal is to create an interconnected learning environment that combines a demanding college-preparatory education with many resources of the CSRA. This environment includes the government, performing arts, industry, the medical community, and sports. We accomplish our goal by establishing academic excellence, providing a moral focus, and obtaining parental involvement. Our charter states that parents will be required to sign a "contract" to support the parent teacher organization of the school, attend all scheduled conferences concerning their child, visit the school on a regular basis, volunteer to assist during the day or before and after school, and attend all scheduled open forum meetings. *If students are to succeed in school, the home and school must work together.*

*Because parents/guardians are partners in their children's education, FCHS reaches out to involve you.*

This is the FCHS parent/guardian volunteer agreement. I understand that my child a student of Fox Creek High School has to have at least 30 volunteer hours logged in this school year in their name. Any **adult family member** or **friend** may do this in the name of the student. The log book will be kept in the front office and hours should be logged in as they are served.

*Any child who does not have 30 hours logged in their name will not be guaranteed placement at FCHS for the next school year.*

Students will not be considered for placement if this form is not signed and returned with the registration packet. Some examples of volunteer duties include:

1. Lunch Monitoring (11am – 12noon)
