

NEWS MEDIA SERVICES AT BOARD MEETINGS

Issued 10/19/04

Purpose: To establish the basic structure for news media notification of and attendance at board meetings.

The board believes that one of its paramount responsibilities is to keep the public informed of its actions. Therefore, the press and public are welcome to attend board meetings.

The Board Secretary will send a copy of the agenda in advance of all official board meetings to members of the working press who request it. In the event that representatives of news media are unable to attend a meeting, upon request they will be provided a summary of important board actions.

When individual board members receive requests from news media representatives for information about board meetings, members will refer the information seekers to the board chairman. The board chairman will be the official public spokesperson for the board (except as the board specifically delegates this responsibility to others).
